

MCDM2011 - First Call for Sessions (deadline June 28, 2010)

21st International Conference on Multiple Criteria Decision Making

University of Jyväskylä, Finland

June 13-17, 2011

<http://www.jyu.fi/mcdm2011>

We invite proposals for sessions or several sessions (mini-tracks) to be included in the 21st International Conference on Multiple Criteria Decision Making. Each proposal should include the topic of the session(s) as well as person(s) in charge of it (including affiliation and email address) and a brief description of the session's scope.

Proposals must be sent to mcdm2011-info@lists.jyu.fi before or on June 28, 2010.

The person(s) in charge of a session is responsible for inviting three or four presentations and chairing the session in the conference.

We hope that the MCDM2011 conference will be a fruitful meeting point for researchers and practitioners dealing with theory, methods, software and applications of multiple criteria decision making. Sessions in all these topics are welcome. The special theme of the conference is "Environment and Policy". Areas of interest include, but are not limited to:

- * Advancements in Theory
- * New approaches and decision support systems
- * Applications of MCDM
- * New areas where MCDM is applied, such as DEA, Finance, etc.
- * Behavioral issues in decision making
- * Computing and software for MCDM
- * Multiobjective optimization
- * Evolutionary algorithms and MCDM
- * Goal programming
- * Preference modelling
- * Multiattribute utility or value theory
- * Multiple Criteria Decision Aiding
- * Group decision making, negotiations
- * Risk and uncertainty

Practitioners are also welcome to organize sessions.

If you wish to receive Call for papers once it appears, contact mcdm2011@mcidsociety.org.

Welcome to MCDM2011 in Finland!
